Donnie Winokur

Educating communities about invisible disabilities

DONNIE WINOKUR

PERSONAL CONTACT INFORMATION

Address: 305 Todwick Drive Roswell, Ga. 30075
Cell: 770 856-5424 **Fax:** 770 641-8639
Email: FASDempowered@gmail.com
Website: www.FASDempowered.com
Website: www.TheChancerChronicles.com

Donnie is available for consulting, teaching, professional training, project development and management, speaking and writing. Donnie's ability to weave her family's compelling narrative into her work builds an unexpected capacity into those who attend her programs or become project partners. She and her husband reside in Roswell, Georgia, with their two teens, their son's internationally beloved Behavioral Assistance Dog, Chancer, and their two cats.

PROFESSIONAL OVERVIEW

Founding, Executive Director:

FASDempowered – *Educating communities about invisible disabilities*

The Chancer Chronicles LLC. – *Creating awareness of the benefits of assistance dogs for individuals who experience behavioral, developmental, psychiatric and cognitive challenges*

Positions include:

Developmental Disabilities Expert, Community Builder, Keynote, Inspirational, Conference Speaker, Consultant, Educational Trainer, Curriculum and Program Developer, Project Manager, Author/Industry Content Provider

Training:	First Responders	Medical Professionals
	Attorneys	Healthcare Providers
	Judges	Educators
	Mitigation Specialists	Caregivers
	Special Investigators	Families
	Legislators	Advocates

PROFESSIONAL EXPERIENCE

2009 – present

Speaking, training, consulting with various states, federal, national, international and university organizations;

Consultant with Georgia State University's Center for Leadership in Disability; in Project Management and Program Training Development; (2009-2013). Scope of work included developing a Training Protocol for Parent Detailers to educate pediatricians in surveillance, screening, and referrals for children presenting with autism and other developmental disabilities. The training is currently utilized statewide through Parent to Parent Georgia.

2005 – 2009

Founding, Executive Director; *NOFAS Georgia*, the non-profit state affiliate of the National Organization on Fetal Alcohol Syndrome (NOFAS); Directorship included crafting a Strategic Plan, Work Plan, creating partnerships with corporations for funding, working with an international advertising agency to design a marketing campaign on prevention of fetal alcohol spectrum disorders (FASDs); trained volunteers and lead parent support groups, networked with other state agencies to develop awareness of FASD prevalence, and began relationships to educate justice system professionals. Lobbying legislators in Wash. D.C. was a key component of this work.

2000 – 2005

Founding, Executive Director; *The National Institute of Body and Soul*; a non-profit, educational program for girls, teens and women to build stronger self-esteem and body image through spirituality; Supervised staff to create and facilitate programs for schools, Jewish Community Centers, conferences, camps, women and children's shelters, Jewish Women's Federation Programs and the Georgia Psychological Association for Women. The curriculum is now being implemented at The Harvard Center for Eating Disorders.
